## **Why We Register**

Money collected from registration is how we pay for the meeting facilities, equipment, registration packets, and other expenses to put on a convention of this size. Every table, chair, and room we use costs money. The gathering is not a regularly scheduled meeting, but rather a special event, we will be requiring a registration badge to attend. It is the support of each member's registration that helps make our convention a success. Your support is greatly appreciated.
